Treetops Private Music Tuition Programme - Group and Individual Lessons

Students at Treetops have a number of options for private individual and/or group lessons. Our Private Music Tuition Programme offers the following instruments: piano, guitar (acoustic and electric), drums, and voice. Enrolled students are expected to commit to a minimum of one term of lessons.

LESSON LENGTH: Individual lessons are 15 - 30 minutes in length, depending on the student's age or other needs as discussed between parents/carers and their child's instrumental or voice tutor.

COST: The costs per lesson will depend upon instrument chosen, student age, and length of lesson. The peripatetic tutor will advise you when enrolment is processed. The fee is paid to the peripatetic music tutor directly if having individual or group lessons. Fees are generally paid by the term.

INSTRUMENT HIRE: Whilst it is assumed that some parents have their own family instruments, in the interest of making music accessible, the school offers guitar instrument hire options (acoustic – availability pending). Acoustic guitars are priced at \$20.00 per term and are invoiced through the school office.

COVID-SAFE: All peripatetic tutors are covered by the WA Government vaccine mandate. They will wear masks in between teaching, and practice safe distancing. All instruments will be sanitised between students and desks and chairs will be wiped down.

PERFORMANCE OPPORTUNITIES: Students taking part in group or individual lessons may have opportunities to perform at school and/or public events throughout the year at the discretion of the School Music Programme Coordinator. These performances may include Recital Morning, Performing Arts Night (formerly Music Night), Shuukai (whole school assembly) and The Darlington Arts Festival.

These opportunities are encouraged to allow students to show their growth, effort put into practice, commitment and, most of all, to have fun connecting and building friendships and community through the shared experience.

ENROLMENT: If your child wishes to take part in any of the lessons in the tables below, please fill out the attached application form and return to the School Office as soon as possible. Group and individual lessons generally start in Week 2 of each term; however, some teachers may start in Week 1. Your child's peripatetic tutor will advise you of the week they intend to start. If your child wishes to take part in multiple options, only one application form is necessary (tick all boxes that apply). Please be aware this may mean your child will miss one or more school timetabled lessons per week.

If you swap instruments or add a new one after commencing in the programme, please complete a new form. Your details will be passed onto the nominated peripatetic music teacher, who will contact you directly to confirm your child's engagement in the programme and their lesson day.

Our Peripatetic Tutors

Dan DiPaola – Drums

Performing extensively over the last twenty years as a professional drummer, Daniele has been a key member of the Perth music scene. Immersed in the improv/jazz circuit, Dan has been involved in music of all styles ranging from radical Jewish folk to hip-hop. Dan has toured broadly with the hit musical The Sapphires with Christine Anu and Casey Donovan. Dan played with Perth mainstay jazz group 'The Fix' for many years, as well as instrumental Hip-hop 'Fdel Live', and experimental electronic group 'The Bosons'. Dan is currently performing regularly with jazz piano trio Radio Repairs.

Kiran Podmore – Piano

Kiran graduated from the Western Australian Academy of Performing Arts (WAAPA) in 2014 with a Bachelor's Degree in Music, majoring in Jazz Performance. As a hardworking musician and passionate performer, Kiran actively performs as a musician in the Perth music scene, playing the saxophone, piano/keyboard, and singing in multiple bands and ensembles. He composes and arranges music on a regular basis. Performing aside, Kiran has a passion for teaching the saxophone, piano, and music theory, and has taught a variety of students ranging from age four to university level. He has also worked with, written for, and performed in musical theatre shows, jazz big bands, and corporate cover bands to name a few. Always working tirelessly in the pursuit of creative and musical outlets, Kiran thoroughly enjoys being a musician and a music teacher.

Raena O'Simmons – Piano

Raena is a new tutor to Treetops commencing Term 1, 2022. She will be providing piano lessons to Primary Students. Raena owns her own music tutoring business, and teaches ukulele in addition to piano. Raena majored in Jazz vocal performance at university. She loves to make lessons engaging and fun

Tania Martin – Voice

Tania is a new tutor to Treetops commencing Term 1, 2022. Tania is an accomplished professional singer / songwriter and actor. She will be providing individual Voice lessons to Students. Tania will also be continuing with Vocal groups (Junior and Senior).

Aaron Woolley – Guitar

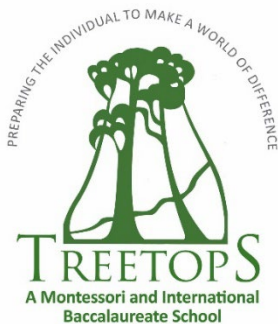

Aaron has been teaching guitar professionally since the early 80's. He has a diploma in Contemporary Guitar Playing from the London College of Music, as well as having performed with and backed many international acts over his profession career. Aaron feels teaching is all about having fun, helping the student feel relaxed and confident, and allowing the information to gradually develop over time so that their skills become second nature. Aaron still performs regularly here in Perth.

Mary Pollard – Taiko and Band

Japanese Taiko drumming is taught in a group environment and is a fun and interactive way to engage in music. Taiko drumming is energetic, theatrical, and great for students who want to learn drums in a less formal setting than private drum lessons. Rehearsals are once week, after students have eaten their lunch, in the Music room.

Band is for students starting in Year 4 (and above) and includes voice, keyboard, guitar, and drums. No previous experience is needed for any student to participate. Rehearsals are once week, after students have eaten their lunch, in the Music room.

If you have any questions about group or individual lessons, please email Mary (School Music Programme Coordinator) m.pollard@treetops.wa.edu.au.

CONDITIONS OF ENROLMENT:

A new enrolment is required for each student at the start of each year, even if continuing with the same tutor. Siblings will require separate forms.

Once received by the peripatetic tutor, the enrolment of a student into a music lesson will be scheduled in line with the School's timetable. Music lessons with peripatetic tutors will take place during the school day and will require students to be withdrawn from standard school classes. Group lessons may be scheduled for lunch breaks.

In cases where the numbers of students enrolling exceeds the available lessons, students may be put on a waiting list.

The peripatetic tutor is responsible for communicating lesson times to the parent/guardian.

The peripatetic tutor is responsible for sending invoices and communicating any changes to schedule or make-up lessons with the parent/guardian.

In the case of student absence (e.g. illness/holiday), the parent/guardian is responsible for notifying the peripatetic tutor, in advance of the scheduled lesson taking place. Where possible, the peripatetic tutor will endeavour to make up these missed lessons at a later date. However, this is not guaranteed and may result in the fee for that lesson being forfeited. In the case of peripatetic tutor absence, the tutor will communicate this directly with the parent and will make arrangements to make up lessons or to refund fees paid. (The school will not be involved). In the case where the school has a reason to cancel the lesson e.g. excursions, whole school events, in-school assessments, this will be communicated to the peripatetic tutor, and where possible arrangements made to make up lessons. It is unlikely that there will be an option to make up any missed lessons on an alternative day of the week to that normally scheduled.

Students remain enrolled in the music programme until written notice of withdrawal is given by the parent/guardian.

A new enrolment form is required to enrol for a new instrument or group lesson.

By signing this you agree:

- That the School will share your personal contact details with the peripatetic tutor. They will then be able to contact you with details about lessons and fees.
- To pay invoices directly to the peripatetic tutor in a timely manner, and understand that lessons may be put on hold until fees are paid.
- To your child being withdrawn each week from scheduled school class lessons to undertake their private music lesson. Group lessons may also take place during lunchtime breaks.
- To a timely advice to the peripatetic tutor of your child's absence from a lesson.
