

2024-28 Strategic Plan

VISION

Preparing the individual to make a world of difference.

MISSION

Treetops provides a dynamic inquiry-based education that empowers the individual to reach their unique potential within a natural and respectful setting.

ETHOS

Treetops holds at its core the value of each individual child as a learner who is at the centre of the learning process.

As a community we exist to facilitate the best possible education outcomes through shaping our programmes in response to individual need.

VALUES

- Education is a shared responsibility of students, family and school.
- Students are presented with a challenging and broad academic environment that encourages intellectual inquiry and critical thinking.
- Nurturing curiosity and creativity is the key to stimulating exploration and discovery throughout life.
- Students learn best when they are actively engaged in authentic learning experiences.
- Stewardship of the natural environment and bush setting is intrinsic to Treetops

Core Pillars

- **Governance and Leadership**
 - Accountable and transparent in accordance with our Values
- **Teaching, Learning and Wellness**
 - Innovative, child-centred education that supports development of the whole child, in partnership with students, teachers and parents
- **Engagement and Promotion**
 - Foster high levels of active engagement and promote the school and its unique offering
- **Finance and Resourcing**
 - Financially sustainable with adequate resourcing to deliver our Strategic Goals
- **Physical environment**
 - Physical assets, both natural and built, that optimise student engagement and learning.

Strategic Goals

- Effective and contemporary governance that supports Treetops' Ethos, Vision, Mission and Values.
- Consolidate Treetops' strength in visual and performing arts; music; and Science
- Embed and further invest in Treetops' leading wellness programme
- Invest in expanding availability and access to student places in years 11&12 and enrolments in the IBDP Programme
- Maintain the trend of 'organic growth' to the current physical limit of around 200 enrolments
- A small school with a big reputation, known for the successful and vanguard approach to best pedagogical practice for all age groups and sought out by families and teachers who greatly value the power of education as a transformative tool
- Held in high regard by the local community and considered the school of choice in the area
- Continue to attract and retain high quality staff passionate about best-practice delivery of Treetops' Montessori-inspired pedagogical approach
- Remain competitively priced for parents and students looking for alternative pathways for academic success
- Rejuvenate the Treetops' physical environment to be fit-for-purpose to deliver Treetops' unique combination of pedagogy and curriculum
- Student sovereignty to be at the heart of decisions about the grounds
- Access to unique, nature-based physical opportunities
